Cattlemen's Delight

HEREFORD SALE

WELCOME

Welcome to the 4th Annual Cattlemen's Delight Sale. The Jackson County Fairgrounds location and facility work well for our group, and the consignor families have put together an even better offering this year. The sale will feature top female prospects from the heart of each breeding program. Our herds vary in size, but all five of the consigning families set out to bring you their best. There are many high quality spring born heifer calves, including several show heifer prospects. We also dug deep in our replacement heifer pens, to bring you high quality females that represent the heart of our breeding programs. Many of the bred females will be confirmed bred to AI dates, to industry leading sires. Several heifers will carry natural service, to high caliber herd sires. There are also three show steer prospects included in this years offering.

As cattlemen, we have seen prices of feeder cattle, fed cattle and even market cows, explode higher in 2024, and the next several years look very bright for cattle producers. Little evidence of national cow herd expansion provides tremendous opportunity to those who own the cow factory. If you want to capitalize, it's time to own the cows, and build herds. The Hereford breed continues to see tremendous demand for top end females, and Herefords are being shown by young cattlemen and women at unprecedented levels! It's become common for the Hereford classes, to be the largest breed classes, at shows across the country. Lots of families love raising and showing Hereford cattle! The Hereford Junior Nationals, held in Grand Island, Nebraska in July 2024, was again a huge success!

Today's Hereford cattle are also doing well in the pasture, in the feed yard, and on the rail. Hereford breeders have paid attention to genomic data and have made decisions to improve the final product immensely. Retail and food service volumes of Hereford branded products continue to grow. If you are raising cattle for commercial use, use Hereford genetics with confidence.

You will observe diversity in the pedigrees offered, as each herd operates with different goals and resources. We believe this is an advantage for the prospective buyers, and we look forward to helping you find the cattle in the offering that will help move your herd forward. Feel free to call on any of the Cattlemen's Delight consignors with questions. More information, including individual animal videos, will be made available prior to the sale on Facebook and Instagram. Some additional genomic profiles and pregnancy check information will also be made available during September.

We invite you to an informal social and viewing on Friday, October 4th from 5-8 p.m. If you would like to view particular lots prior to October 5th, please arrange that with the owner. Each consignor would be happy to show you the cattle ahead of the sale, upon appointment. Obviously, we want you to be able to bid and buy with confidence, so please feel free to reach out with any requests.

Thank you for your interest in our breeding programs and we look forward to seeing you at the 4th Annual Cattlemen's Delight Sale.

The Cattlemen's Delight Group, including the Reed, Boettcher, Starck, Steinhoff, and Freidrich families

TERMS and CONDITIONS:

TERMS: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

GUARANTEE: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

LIABILITY: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk.

ANNOUNCEMENTS: Sale day announcements take precedence over printed matter in the book. The consignors reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

REGISTRATION CERTIFICATES: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves. Certificates for calves born to bred cattle purchased are the responsibility of the buyer.

Cattlemen's Delight

HEREFORD SALE

SATURDAY, OCTOBER 5, 2024 / 12:00 PM (CST)

Sale Location:

Jackson County Fairgrounds

388 Melrose St., Black River Falls, WI 54615

Accident/Illness:

The sale management, the consignors and the owner of the grounds will not be responsible in any case for the condition of the grounds, the behavior of the animals or illness and disclaim any liability in the event of personal accident, sickness, or property loss.

HERE'S HOW IT WORKS

Go to www.LiveAuctions.tv. Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at TechSupport@LiveAuctions.tv.

Reed Stock Farm

Lots 1-14

REED STOCK FARM

10788 240th St. East
Hampton, MN 55031

Jeff and Bonnie Reed
and family

612-819-1368

jbreedstockfarm@gmail.com

Reed Stock Farm started in the Polled Hereford business in 1972 with a purchased show heifer. In 1980 Jeff and Bonnie married and continued raising Polled Hereford cattle. Our three children were very active in showing cattle as they grew up. Our now married adult children, and our grandchildren are very involved in raising and showing Hereford cattle. We have shown at many local, state and national shows. We are all very involved in 4-H and in livestock related organizations. We have sold in consignment sales but most of our bulls and females have been sold private treaty at the farm. We operate 80 registered Hereford cows featuring AI and flushing to top bulls. We also own high quality natural service sires which produce the core of our cow herd and many of the sale cattle. Our herd is built on female fertility and maternal strength, with high growth and performance. We strive to produce hard working, high performance cattle that will also perform in the show ring. All of our cattle are also bred with feedlot performance potential in mind.

Lot 1 — JRR 225 ULTRA TIME 410M

Lot 2 — JRR 6121 MISS D RANDI 406M

1

- We wanted Lot 1 to be special. This F Distinct 225 daughter is the first of several offered in the sale, by Reed Stock Farm and Windy Hills. We bought F Distinct 225 as an outlier calving ease/performance spread bull. We both used him heavily on heifers, but also on a few select mature cows, as a test. 410M represents what an impact F Distinct 225 will have on our programs. The 916G cow has done well for us, and we have a son of her being used this year.
- 410M sells open, is halter broke and has been shown. OCV.

The Boettcher Family
Butch 715-828-7271
Brandon 715-533-2470
Garritt 715-586-0033

The Boettcher Family is honored to be part of the Cattlemen's Delight again this year. We bring an offering of powerful heifer calves and productive young females from the cow families that have built and sustained our breeding program. We have been breeding "Performance cattle with eye appeal" backed by balanced EPDs for over 50 years. Our program emphasizes cattle that have the ability to generate profits in a wide variety of production systems and environments. We select proven AI sires and natural service pasture sires that best complement our cow families. Our breeding goals are substantiated through

performance measurements of birth, weaning, and yearling weights as well as feedlot performance and strict reproductive evaluation. We are humbled by the success stories of how our cattle have performed for our customers and the number of repeat buyers we see each year. Your evaluation of our offering is appreciated and we look forward to seeing you on October 5th in Black River Falls.

Rick, Jenny, Ricki,
and Ryder Starck
Rick's cell: 715-313-3234
starckfarm@gmail.com

For those who have attended the Cattlemen's Delight sale, welcome back!
For those new to our sale, we are glad you've joined us!

Starck Century Farm is a family owned and operated farm that has been in my family since 1864. We started our 20 cow registered herd in 2012 with a few calves. Being a small breeder, we have had the luxury to exclusively use artificial insemination on our animals which has allowed us to match specific sire phenotype and EPDs to individual cows in order to build a solid herd that has surpassed the national herd average in all EPD categories.

We have been part of the whole herd DNA program since 2018 that provides us with valuable information that assists us in our breeding decisions and guarantees our cattle to be free of all known genetic defects.

We are proud of the cattle we have sold in the Cattlemen's Delight sales and have made several friends and acquaintances through our sales. We are pleased our customers share a high level of satisfaction with our cattle. We are confident in our genetics, and are proud to offer a group of cattle we believe will work in any herd!

Thanks for taking the time to look at our animals and give us a call with any questions you may have,
Rick & Jenny

- Ryder talked me into offering Mercury who I planned on using as one of my top replacements. Mercury comes from one of our original cow families that we believe in, and plan on investing for years to come. This Houston mating has definitely worked! You can see she comes as a maternal package with another outstanding CHB EPD of 164. Mercury boasts 10 traits within the top 10% of the Hereford breed! Homozygous polled. Halter broke. OCV.

Welcome to the 2024 Cattlemen's Delight Sale.

Steiny's Herefords started in 2003 with the purchase of a cow/calf pair from Warren & Isabelle Brown at the Wisconsin State Sale.

Over the last 21 years we have worked to raise sound productive breeding stock that is phenotypically attractive. We have been fortunate to sell cattle that have done great things for their new owners.

The farm is a family affair and we are blessed to see the next generations grow in rural farm life.

We look forward to seeing you at the Cattlemen's Delight Sale and thank you for considering a purchase from Steiny's Herefords. Contact Dave with questions at 608-344-0140.

Mark and Angie Friedrich
and Family
715-760-2350
mfriedrich@myyahoo.com

Windy Hills Herefords started in 2004 by Mark and Angie Friedrich along with their three daughters, Jess, Kim and Kelley. We currently run 60 cows in our operation. We strive to produce quality cattle that works for all of our customers' needs. Our family has started to grow as we have four grandchildren now that love being around the cattle and showing them as well. Our kids and grandkids have shown a lot of different places with our cattle from county fairs to national shows. We are very proud of our genetics and know that you will be happy as well. We have enjoyed hosting farm tours in the past for our state association and we look forward to showing buyers what we have to offer in this sale.
